

Raceday

Verve and personality are what get noticed by the judges (or the nice man pouring the champagne). Make the LBD an LBD with a difference by choosing summer's fringing and tie dyeing. Rock up hip headpieces, sexy gloves and knock-out heels.

AUGUSTINE From Here to Nowhere dress, \$299 from Desire.

PARTY PIECES

Cocktail Hour

The one-shoulder dress is the ultimate expression of femininity, especially in the season's tangiest colour – coral. Grecian draping does amazing things to cover bumps. Add a strong cuff – burnished and beaten metallics are perfect – and the sexiest strappy sandal you can bear.

BLESSED ARE THE MEEK Eva drape dress, \$249 from Desire.

The SEASON to be SOCIAL has FINALLY ARRIVED. Dust off the WINTER COBWEBS with DESIRE'S SIZZLING array of DINNER DRESS ideas.

High Tea

The romance of the afternoon tea dress will capture your imagination. Swirl in this season's painterly prints (a hint of Art Nouveau anyone?), add a satin-trimmed jacket, a sweet statement necklace and the prettiest wide-brimmed hat you can find and tea is served. All you need now are the cupcakes.

CATALYST Nouveau Poppy dress, \$499, and silk-trim cardigan, \$249 from Desire.

Hot Date

Don't leave your all important date to chance – make the impact. This dress strikes the perfect balance: it whispers *voilà*, not shouts *vavoom*. A bustier creates curves, while the froth of tulle in the skirt and the delicate sleeves keep things seemly and the power is with you.

GEORGE EVAN dress, \$549 from Desire.

Beach Barbeque

This season's jumpsuit is surprisingly easy to wear: adjust the soft blouson waist and harem legs to create your best proportions.

METALICUS playsuit, \$229 from Desire.
